

Barking Hard

Did you ever want to scream at your PC? No? I mean you can also play with your mouse I guess... But you should definitely try this game! Push Pete the sheep back to his shepherd by barking at it. Try not to fall off. And most of all, have fun! (The team will not be liable for any direct or indirect losses, arising from any such injury, illness, damage, loss, accident, or expense including consequential loss or economic loss caused by this game being way too f***ing hard)
